I See Two Candles

I see two candles two long white candles,
on my שבת table, the clock goes tick the
clock goes tock, hurry as fast as your
able.

Tick tock tick tock.

To shul goes my daddy and here comes
my mummy, sssshhh quiet we must be,
she light the candles and makes a ברכה
and says 'good שבת' to me.

I like this שבת this day of שבת, it's the best
day of the week, we dress up for שבת,
make קידוש on שבת and have such good
things to eat.
