### Pesach is coming

פסח is coming, פסח is coming,  
We clean up the חמץ from all the year,  
בדיקת חמץ we must do, a candle for me and a  
feather for you, looking for חמץ all around, no  
more חמץ to be found.

יום טוב is here, יום טוב is here, the table is laid for  
the סדר tonight, מצה, מרור and כוסוס too, the table  
is laid for the סדר tonight, wine for you, wine for  
me, wine for all the family.

מצה for you, מצה for me, מצה for all the family.

מרור for you, מרור for me, מרור for all the family.

אפיקומן for you, אפיקומן for me, אפיקומן for all the  
family.

Bed for you, bed for me, bed for all the family.
