### Shavuos Is Coming

שבועות is coming nearer and nearer,  
that's why we count the ספירה, the  
Torah was given on this great day,  
that's why we're happy this day.

Round הר סיני waiting for משה, for משה  
הק'בה, from הק'בה,  
to give us the Torah, from הק'בה.  
from הק'בה.
