Tsedakah Song 3

צדקה, צדקה, צדקה, that is what we give, to
the poor people to help them live, צדקה,
צדקה, צדקה, that is what we give, to the poor
people to help them live.

So they'll have food and clothes, So they'll
have food and clothes, even a penny a day
before we even pray, So they'll have food and
clothes, So they'll have food and clothes, even
a penny a day before we even pray.
